On the above date and time, I received a call of an attempt suicide at 4608 Skyridge Meadows Court. The reportee, Lisa Hickey, stated her husband, Monty Hickey, had said he was going to commit suicide. He had left the residence and was driving towards I-270 in a white Ford Explorer bearing MSL 520YLF.

While en route to the address, I observed the above vehicle, occupied by one white male, southbound on Highway 21 near Schuessler Road. I activated my emergency equipment, made a U-turn, and got behind the vehicle. The vehicle made a left turn from Highway 21 onto the parking lot of a medical center north of Bauer Road. The vehicle then abruptly made a U-turn and was facing the patrol vehicle. I ordered the driver to place his hands where I could see them and after several orders, he complied.

I then approached the vehicle, opened the driver's door, and ordered the driver out of the vehicle. He immediately told me that he was a police officer with Creve Coeur PD, and I told him I was already aware of that. I then asked him if he had any firearms on his person, and he indicated on the right side of his waistband. I then told him not to reach for the weapon, and I removed the weapon from a holster. I ejected the magazine and ejected a shell from the chamber. The weapon was identified as a Walther PPK, serial #9206BAD.

A short time later, PO Scott Venable, DSN 3559, arrived. While he watched M. Hickey, I checked the interior of the vehicle for any other weapons. Laying on the passenger seat, within easy reach of the driver, was found a Sigsauer 9mm, serial #B108882. This weapon was made safe by releasing the magazine and ejecting a shell from the chamber. The weapon was then placed in my patrol car. These two handguns were subsequently transported to the 3rd Precinct, where they were entered into evidence for safekeeping. They were entered into NCIC as weapons seized for safekeeping under teletype #538 by DSN 3525.

M. Hickey was handcuffed for his safety and the safety of other officers, placed in my patrol car, C325, and transported to St. Anthony's Medical Center, where I completed a 72 hour affidavit. He was subsequently transferred to the Hyland Center, where he was admitted as an inpatient for further observation.

I contacted Lisa Hickey. She told me her husband, M. Hickey, had been acting "weird" for about a week and had a high profile court case coming up in Illinois, which was stressing him out. She said M. Hickey came by her residence and told their three daughters "good bye" and that they would never see him again. He told Lisa H. that she would get all of the money and would be well taken care of.

Sergeant Lasater, DSN 1821, contacted Michael Hickey, Monty Hickey's brother. Michael said that for the past two weeks, his brother, Monty, had been making suicidal statements, such as he would "go out a hero," and he had thought about driving his car into a building.

I made contact with Monty Hickey's ex-girlfriend, Crystal Marshall. She said she had found a suicide note in Monty Hickey's apartment that said he had no reason to live and that he would take his own life. I had Crystal M. contact me at the Hyland Center, and at this time, she decided not to cooperate and refused to give me the alleged suicide note.

Nothing further at this time.
